# WHY PROKNIT?

## FULLY CUSTOM

Make it personal. Choose from an array of different colors and garment patterns to make your ideas come to life!

## PERFORMANCE WICKING MATERIAL

A breathable fabric that is perfect for any time of year. Enough to regulate body temperature while remaining comfortable.

## COLOR LOCK

Premium color sublimation right into the fabric of the garment ensuring, the color lasts and stays vibrant.

## FAST REPLY

We have people in office Monday-Friday to answer any and all questions that you may have. We are able to be reached through email or phonecall.

## QUICK DRY

This material allows for quick dry times and easy at home care.
